Disorders Index.....	Inside front cover
Quick Reference Formulary.....	i-ii
Preface.....	vii

## 1 Principles of Diagnosis and Anatomy 1

Skin anatomy.....	1
Diagnosis of skin disease.....	2
Primary lesions.....	3
Secondary lesions.....	12
Special skin lesions.....	17

<i>Regional differential diagnosis atlas</i> .....	19
--	----

## 2 Topical Therapy and Topical Corticosteroids 75

Topical therapy.....	75
Topical corticosteroids.....	77

## 3 Eczema and Hand Dermatitis 91

Stages of eczematous inflammation.....	91
Hand eczema.....	100
Eczema: various presentations.....	110
Chapped fissured feet.....	113
Self-inflicted dermatoses.....	115
Psychogenic parasitosis.....	121
Stasis dermatitis and venous ulceration: postphlebotic syndromes.....	122

## 4 Contact Dermatitis and Patch Testing 130

Irritant contact dermatitis.....	131
Allergic contact dermatitis.....	133
Diagnosis of contact dermatitis.....	148

## 5 Atopic Dermatitis 154

Pathogenesis and immunology.....	156
Clinical aspects.....	156
Associated features.....	167
Triggering factors.....	172
Treatment of atopic dermatitis.....	172

## 6 Urticaria and Angioedema 181

Clinical aspects.....	182
Pathophysiology.....	185
Initial evaluation of all patients with urticaria.....	186
Acute urticaria.....	186
Chronic urticaria.....	188
Treatment of urticaria.....	191
Physical urticarias.....	194
Angioedema.....	200
Contact urticaria syndrome.....	207
Pruritic urticarial papules and plaques of pregnancy.....	207
Urticarial vasculitis.....	209
Serum sickness.....	210
Mastocytosis.....	211

## 7 Acne, Rosacea, and Related Disorders 217

Acne.....	217
Acne surgery.....	252
Perioral dermatitis.....	253
Rosacea (acne rosacea).....	256
Hidradenitis suppurativa.....	260
Miliaria.....	263

## 8 Psoriasis and Other Papulosquamous Diseases 264

Psoriasis.....	264
Pityriasis rubra pilaris.....	309
Seborrheic dermatitis.....	312
Pityriasis rosea.....	316
Lichen planus.....	320
Lichen sclerosus et atrophicus.....	327
Pityriasis lichenoides.....	332
Grover's disease.....	334

## 9 Bacterial Infections 335

Skin infections.....	335
Folliculitis.....	351
Furuncles and carbuncles.....	356
Erysipeloid.....	359
Blistering distal dactylitis.....	359
Staphylococcal scalded skin syndrome.....	360

<i>Pseudomonas aeruginosa</i> infection .....	363
Meningococemia .....	371
Nontuberculous mycobacteria .....	379

**10 Sexually Transmitted Bacterial Infections 382**

Sexually transmitted disease presentations .....	382
Genital ulcers .....	385
Syphilis .....	396
Rare sexually transmitted diseases .....	408
Diseases characterized by urethritis and cervicitis .....	413

**11 Sexually Transmitted Viral Infections 419**

Genital warts .....	419
Bowenoid papulosis.....	427
Molluscum contagiosum.....	428
Genital herpes simplex.....	431
Acquired immunodeficiency syndrome .....	444

**12 Warts, Herpes Simplex, and Other Viral Infections 454**

Warts .....	454
Molluscum contagiosum.....	465
Herpes simplex.....	467
Varicella.....	474
Herpes zoster.....	479

**13 Superficial Fungal Infections 491**

Dermatophyte fungal infections .....	491
Candidiasis (moniliasis) .....	523
Tinea versicolor .....	537

**14 Exanthems and Drug Eruptions 541**

Exanthems .....	544
Drug eruptions: clinical patterns and most frequently causal drugs .....	570
Drug eruptions .....	575

**15 Infestations and Bites 581**

Scabies .....	582
Pediculosis.....	590
Caterpillar dermatitis.....	594
Spiders .....	596
Ticks .....	600
Cat-scratch and related diseases.....	614
Animal and human bites.....	616
Stinging insects.....	620
Biting insects .....	621
Creeping eruption.....	625

Ants .....	626
Dermatitis associated with swimming .....	627
Leishmaniasis .....	632

**16 Vesicular and Bullous Diseases 635**

Blisters.....	635
Diagnosis of bullous disorders .....	638
Dermatitis herpetiformis and linear IgA bullous dermatosis.....	642
Bullae in diabetic persons .....	646
Pemphigus .....	647
The pemphigoid group of diseases.....	655
Pemphigoid-like disease.....	661
Benign familial chronic pemphigus .....	662
Epidermolysis bullosa.....	664
The newborn with blisters, pustules, erosions, and ulcerations .....	665

**17 Connective Tissue Diseases 671**

Autoimmune diseases.....	671
Connective tissue diseases.....	672
Lupus erythematosus .....	678
Dermatomyositis and polymyositis .....	692
Scleroderma.....	700

**18 Hypersensitivity Syndromes and Vasculitis 710**

Hypersensitivity syndromes .....	710
Erythema multiforme .....	710
Stevens-Johnson syndrome/toxic epidermal necrolysis spectrum of disease.....	714
Erythema nodosum .....	720
Vasculitis .....	722
Vasculitis of small vessels .....	726
Neutrophilic dermatoses .....	734
Schamberg's disease .....	740

**19 Light-Related Diseases and Disorders of Pigmentation 741**

Photobiology.....	741
Sun-damaged skin.....	743
Suntan and sunburn .....	747
Sun protection.....	747
Polymorphous light eruption .....	750
Hydroa aestivale and hydroa vacciniforme.....	752
Porphyrias.....	754
Phototoxic reactions .....	761
Photoallergy .....	764
Disorders of hypopigmentation.....	764
Disorders of hyperpigmentation.....	771

**20 Benign Skin Tumors 776**

Seborrheic keratoses .....	776
Stucco keratoses .....	784
Skin tags (acrochordon) and polyps .....	784
Dermatosis papulosa nigra.....	786
Cutaneous horn .....	786
Dermatofibroma .....	787
Hypertrophic scars and keloids.....	788
Keratoacanthoma .....	790
Epidermal nevus .....	792
Nevus sebaceous .....	794
Chondrodermatitis nodularis helioides.....	795
Epidermal cyst.....	796
Pilar cyst (wen) .....	798
Senile sebaceous hyperplasia .....	799
Syringoma.....	800

**21 Premalignant and Malignant Nonmelanoma Skin Tumors 801**

Basal cell carcinoma.....	801
Actinic keratosis .....	812
Squamous cell carcinoma in situ.....	820
Bowen's disease.....	821
Erythroplasia of Queyrat .....	823
Arsenical keratoses and other arsenic-related skin diseases.....	824
Squamous cell carcinoma.....	824
Leukoplakia .....	829
Verrucous carcinoma.....	830
Primary cutaneous lymphomas .....	831
Cutaneous T-cell lymphoma.....	832
Paget's disease of the breast.....	843
Extramammary Paget's disease.....	844
Cutaneous metastasis .....	845

**22 Nevi and Malignant Melanoma 847**

Melanocytic nevi .....	847
Malignant melanoma .....	860
Management of melanoma .....	872
Staging and prognosis.....	875
Treatment of lentigo maligna.....	879
Dermoscopy .....	880

**23 Vascular Tumors and Malformations 891**

Congenital vascular lesions.....	891
Acquired vascular lesions .....	904
Telangiectasias .....	910

**24 Hair Diseases 913**

Anatomy .....	913
Physiology .....	915

Evaluation of hair loss.....	917
Generalized hair loss .....	920
Localized hair loss.....	922
Trichomycosis.....	946

**25 Nail Diseases 947**

Anatomy and physiology.....	947
Normal variations .....	950
Nail disorders associated with skin disease .....	951
Acquired disorders .....	953
The nail and internal disease .....	966
Color and drug-induced changes.....	969
Congenital anomalies.....	969
Tumors.....	970

**26 Cutaneous Manifestations of Internal Disease 975**

Cutaneous manifestations of diabetes mellitus.....	975
Acanthosis nigricans .....	978
Xanthomas and dyslipoproteinemia .....	980
Neurofibromatosis.....	983
Tuberous sclerosis .....	987
Internal cancer and skin disease .....	990
Familial cancer syndromes .....	990

Index.....	I-1
Corticosteroids (topical) .....	Inside back cover

**ONLINE ONLY CONTENT ****27 Dermatologic Surgical Procedures 999**

Antibiotic prophylaxis .....	1001
Local anesthesia .....	1001
Hemostasis .....	1002
Wound healing.....	1002
Skin biopsy.....	1006
Electrodesiccation and curettage.....	1009
Curettage.....	1010
Blunt dissection.....	1011
Cryosurgery.....	1012
Extraction of cysts .....	1013
Mohs' micrographic surgery.....	1014
Chemical peels .....	1015
Dermal and subdermal fillers .....	1016
Liposuction.....	1016
Lasers.....	1016
Botulinum toxin.....	1018
Appendix A Bioterrorism .....	1019
Appendix B Dermatology and the Recently Returned Traveler.....	1024
Dermatologic Formulary.....	F-1
